

Terms of carriage

Operated by GLMR

Parental supervision is required at all times for children too young to ride alone.

AVMR retain the right to deny carriage for any reason, this could be (but is not limited to) due to persons causing a potential hazard, being aggressive or not adhering to rules of the railway.

Tickets which have been validated will not be refunded (for any reason). Validation refers to the exchange of the physical tickets purchased at the Gift Shop for a stamp upon first boarding.

'Unlimited rides' is only applicable to the day of purchase and is non-transferable. Those seen to transfer tickets will be denied carriage. AVMR retain the right to cancel trains early due to reasons such as technical issues, inclement weather and driver availability. In circumstances such as these, refunds will not be given. If you have not already exchanged the train ticket for a stamp, tickets can be retained for future use (valid for 4 weeks), however it is necessary to speak to miniature railway staff regarding this on the day of cancellation, if you do not do this, they will not be valid.

We ask that all passengers keep their hands and feet inside the train at all times, do not attempt to stand-up or lean-out. If you have any issues, speak to the operator.

Any questions regarding the railway should be directed to GLMRailways@gmail.com

We hope you enjoy your visit to Aln Valley and hope to see you again soon.
